Township of Harrison
114 Bridgeton Pike
Mullica Hill, NJ 08062

Louis Manzo, Mayor
Dennis Clowney, Deputy Mayor
Don Heim, Committeeman
Robert Shearer, Committeeman
Matt Diggons, Committeeman

Dear Harrison Township Resident:

Harrison is converting to a new trash and recycling collection system beginning the week of January 1, 2012. The new system is significantly more cost effective and will provide a cleaner, more attractive community. We also expect it to result in an increase in the volume of materials that we recycle. This will generate additional revenues for the Township through the sale of the recyclables and also reduce the cost of trash disposal.

These changes will apply to all properties that currently are being serviced by the Township through South Jersey Sanitation. If you have a business or other use that requires you to provide for your own trash and recycling disposal, that will not change.

The transition will mean some changes in the collection routine for all of us. The enclosed information details those changes. It is important that you read through the material provided. Included is our new collection schedule; information on the trash and recycling carts that will be provided to you by the Township; details of what is recyclable; procedures for pickup of bulk items and metal pickup; and the disposal of yard waste. You are also invited to attend a demonstration and information session on Saturday, December 10th at 10:00 am at the Municipal Building.

We will be delivering the new trash and recycling carts to each property beginning the middle of December. Additional information will be provided with the carts. We anticipate that it will take approximately one week to complete all deliveries. Please be certain that you.....

Do not use your carts before January 2, 2012

South Jersey Sanitation will continue to pick up your trash and recycling until that date and their equipment cannot handle the new carts.

Also please mark these dates on your calendar:

**Curbside Christmas tree pickup will be on
Tuesday, January 10th and Tuesday, January 17th**

If you have any questions, please call our Trash & Recycling Hotline at 478-9514. You can also refer to our Township web site at www.harrisontwp.us for updates.
