**Resurfacing & Safety Improvements
County Route 536, AKA State Highway Rt. 322, between CR 623 and CR
618 in the Township of Harrison**

The County of Gloucester will be completing resurfacing and safety improvements along CR 536 AKA State Highway Rt. 322 between CR 623 and CR 618 in the Township of Harrison.

PROJECT BACKGROUND: The County of Gloucester has contracted South State Inc., for the resurfacing and safety improvements on County Route 536 AKA State Highway Rt. 322. The project is being completed in order to address the deterioration of the existing surface and provide safety improvements.

THE PROJECT: This project will consist of milling, resurfacing, and concrete repairs (where necessary) along CR 536 AKA State Highway Rt. 322, between Clems Run Road (CR 623) and Harrisonville Rd. (CR 618) in the Township of Harrison. The total project distance is 2 miles (+/-).

Roadway safety improvements will include replacement of existing inlet grates with new bicycle safe grates, new traffic striping, and curb replacement in designated areas. Residents shall have access to their driveways at all times. Driveway aprons within the project limits shall be maintained by the contractor during construction.

During construction, traffic along Rt. 322 shall be maintained by way of lane shifts or alternating traffic. A road detour may be implemented during milling and paving activities. This project is an ARRA Federal Stimulus Project and is Federally Funded.

PROJECT STATUS: The project will begin construction on or about the week of July 6, 2010. This project is anticipated being completed within 30 days after start date.
