CERTIFICATE OF OCCUPANCY REQUIREMENTS

SELLING YOUR HOME OR RENTING?

The application form for Smoke Detector, Carbon Monoxide Alarm and Portable Fire Extinguisher Compliance is posted on this page.

Please follow the instructions on the form and call 856-478-6832 if you have any questions.

If you are renting your home, you will also need Certificate of Occupancy inspection. The application forms are available at the Construction Office in the Municipal Building (856-478-6522). The Certificate of Occupancy inspections are required for each new tenant that occupies the dwelling.

Harrison Township does not require an inspection for Certificate of Occupancy for resales.
